The screenshot shows the IEEE website homepage. At the top right, there is a navigation bar with links for 'Cart (0)', 'Create Account', and 'Sign in'. Below this is a search bar and a navigation menu with categories: 'About IEEE', 'Membership & Services', 'Societies & Communities', 'Publications & Standards', 'Conferences & Events', and 'Education & Careers'. A prominent 'Sign in' button is highlighted with a red box, and it is positioned next to input fields for 'E-mail address' and 'Password', which are also highlighted with a red box. Below the navigation menu is a search bar and social media links. The main content area features a large banner for 'Renewal: The Ultimate Gift' with a photo of a man at a laptop. To the right, there is a 'Welcome members' section with a 'myIEEE' logo and an 'Access myIEEE' button. Below this is a 'Join/Renew IEEE or a Society' section with 'Join' and 'Renew' buttons. The bottom section includes 'Events', 'Technologies', 'Social Media', 'What's Happening', and 'Resources for...'.

3. Μεταβείτε στο Societies & Communities / IEEE Societies

The screenshot shows the IEEE website page for 'Societies & Communities'. The navigation menu at the top has 'Societies & Communities' highlighted with a red box. Below the navigation menu is a search bar and a main heading 'Societies & Communities'. The page content is organized into several sections: 'Societies & Communities Home', 'From this section:' (with 'IEEE Societies' highlighted in a red box), 'Knowledge groups', 'In your area', and 'Resources for...'. The 'Resources for...' section lists various user groups like 'Authors and speakers', 'Conference organizers', 'Educators', etc. At the bottom, there are sections for 'Social Media', 'What's Happening', and 'JUST PUBLISHED'.

Join an IEEE Society today and start connecting to breakthrough technical information in your technology field. Membership includes:

- Society peer-reviewed publications and conferences;
- significant discounts on society publications, conference registration, and other products (applies to many but not all Societies);
- an expansive professional network of worldwide technology experts in your field.

With members in 65+ countries, the IEEE Industry Applications Society (IAS) is one of the world's largest organizations specializing in global design, development, application, and management of electrical and electronic systems, apparatus, devices, and controls. As a member, you'll receive access to groundbreaking technical information through the IEEE Industry Applications Magazine (electronic and print), IEEE Transactions on Industry Applications (electronic), IEEE Journal of Emerging and Selected Topics in Power Electronics (electronic), IEEE Electrification Magazine (digital delivery), and IEEE Industry Applications Society Digital Library (electronic) and member-only continuing education materials. You'll also enjoy opportunities to attend any of its major conferences.

Field of Interest (abridged): Global design, development, application, and management of electrical and electronic systems, apparatus, devices, and controls.

IEEE Industry Applications Society Membership

Focuses cover the global design, development, application, and management of electrical and electronic systems, apparatuses, devices, and controls for safe, reliable, and economical processes and equipment of industrial and commercial installations. The society sponsors a variety of conferences and meetings annually. If you wish to purchase additional copies of publications included in your membership, please contact www.ieee.org/contactcenter.

IEEE Societies provide access to current information, opportunities to network with peers, and enhancement of the worldwide value of your profession. IEEE members receive special prices for Society memberships. If you are not an IEEE member, you may wish to join as an Affiliate.
